**Mail:** The Secretary                      **OR**                      **Email:** [contact@dubboeisteddfod.org.au](mailto:contact@dubboeisteddfod.org.au)

The Eisteddfod Society encourages people to use these same channels to provide information about any practice or event that they consider to be unfair or which makes them unhappy. The procedure for responding to complaints is given below:

- a. In keeping with the requirements of the Ombudsman Act, any complaint about the conduct of a committee member that involves any child protection matter should be made directly to the President or in their absence, the person next in charge
- b. A complaint can be anything which a parent, teacher, competitor or community member thinks is unfair, or which makes them unhappy with the service provided
- c. Complaints are to be resolved as quickly as possible. When an official written complaint is lodged the parties involved are to attempt to settle the matter through the appropriate written communication policy as stated above.
- d. All complaints will be discussed between the members of the Eisteddfod committee who are able to attend at the time of the arranged meeting
- e. The secretary will keep a written record including the following details:
  - Date complaint received
  - Details of the written complaint received which contains a full description of the situation
  - Name and details of the person making the complaint
  - Details of the preferred outcome for the person making the complaint
  - Any action taken, and by whom
  - Date the complaint was resolved and the outcome
- f. The status of the complaint will remain open until the complaint has been resolved
- g. Any person with an official complaint or concern is to put the complaint in writing, attaching any witness statements
- h. All Eisteddfod committee members will be informed of all complaints and outcomes, and may provide support in complaint resolution. If appropriate the Honorary Solicitor may be contacted for assistance in resolving the issue. If the solicitor is unable to resolve the matter, the matter will be referred to an independent body such as a mediation service.

## PRINCIPLES OF DEALING WITH COMPLAINTS

- a. Only the relevant people dealing with the complaint will know the name and details of the complainant and the nature of the complaint
- b. The Eisteddfod Society will only action complaints received in writing from the complainant
- c. Every effort will be made to address the complaint within a reasonable period of time – ideally the complaint will be addressed within five working days and reach an acceptable outcome within 28 days from the date the complaint was lodged
- d. The person making the complaint will be consulted on the procedure to be followed to address the complaint and informed of the outcomes as they arise
- e. In the event that complaints are received anonymously they will not be investigated.

## PRIZES

- a. The Committee invests the Adjudicator with the power to withhold any prize where he or she believes insufficient merit has been displayed
- b. Before two places can be given in a class at least four competitors must enter, and for three places at least six competitors must enter – except for Championships
- c. The Committee reserves the right to vary any prizemoney if there are fewer than five entries received. Where, due to lack of entries, two classes have been combined, the prizes will be those stated for the more senior of the classes
- d. In Championship Classes where the entries are less than five, the Committee reserves the right to reduce the prizemoney
- e. Every performance receives an adjudication report. It is the responsibility of competitors to collect prizes and reports. These must be collected by the final day of the Eisteddfod
- f. If there are insufficient entries in any class to justify it being run, the Committee reserves the right to omit it from the Program or combine it with another class in the Section.
